

# AFPC Senior Fellow for Russia Stephen Blank interviewed by News.am (Armenia) regarding the future course of the Karabakh peace talks.

June 27, 2018

**Related Expert:** Stephen Blank

"Analyst Stephen Blank, however, does not find that this approach to be useful for the settlement of the conflict. In his view, the West should be more actively engaged in assisting the conflicting parties to reach agreement. As per Blank, the future development of Armenia is also linked to the resolution of the Karabakh conflict." Read more below.
