

AFPC's Ilan Berman at Claremont Institute Missile Defense Conference

July 30, 2008

Related Categories: Missile Defense

Related Expert: Ilan I. Berman

On July 25-26th, AFPC Vice President for Policy Ilan Berman traveled to Dearborn, Michigan to participate in the Claremont Institute's 2008 conference on "Missile Defense Challenges for the 21st Century."

At the conference, Ilan addressed Iran's nuclear and ballistic missile capabilities, and what Iran's advances mean for the future of the international nonproliferation regime and U.S. policy toward the greater Middle East.
