

AFPC Fellow for Russia Studies Sam Bendett comments on Russia's futuristic mini-sub

January 18, 2019

Related Expert: Samuel Bendett

Because there are "no limitations on what [Russia's futuristic mini-subvessels] can carry means that there would be fewer limitations for Russian spcl. forces to act, via this deep-diving vessel," says AFPC Fellow for Russia Studies Sam Bendett. [Read the full article here!](#)
