

CACI Forum - The Caucasus and Central Asia: IMF Economic Outlook and Policy Challenges

November 21, 2019

Related Categories: Democracy and Governance; International Economics and Trade; Caucasus; Central Asia

Related Expert: S. Frederick Starr

Trade tensions, oil price volatility, and geopolitical tensions are weighing on the world economy. How is this impacting the economies in the CCA region? What should the region's policy makers do to make their economies resilient and promote higher and more inclusive growth? This Forum will address these questions.

Juha Kähkönen, Deputy Director, Middle East and Central Asia Department, International Monetary Fund

Moderator: S. Frederick Starr, Chairman, Central Asia-Caucasus Institute at AFPC
