

World Almanac of Islamism 2021 edition

January 8, 2021 <https://almanac.afpc.org/>

Recently sent to publishing house Rowman & Littlefield, the fifth edition of the *World Almanac of Islamism* has been completed. The project, which evaluates the intersection between islam and politics, includes 62 chapters focused on individual countries and 10 different political movements & terrorist groups, written by over 40 subject scholars. Each chapter is available online at almanac.afpc.org and a print edition will be out later this year.
