

World Almanac of Islamism: 2014

January 1, 2014 *Rowman & Littlefield*

Related Categories: Islamic Extremism; Terrorism

The American Foreign Policy Council's *World Almanac of Islamism* is a comprehensive resource designed to track the rise or decline of radical Islam on a national, regional and global level. This database focuses on the nature of the contemporary Islamist threat around the world, and on the current activities of radical Islamist movements worldwide.
